Subsequently, the Allen County Plan Commission and Allen County Board of Commissioners adopted resolutions approving the Allen County Redevelopment Commission's Declaratory Resolution 2018-7-10-1 and Airport Expressway South EDA Plan. The Allen County Redevelopment Commission's Resolution 2018-7-10-1 declared an area of real estate in Allen County as an Economic Development Area with an allocation area also being designated.

The Airport Expressway South EDA Plan covers an area in Allen County, Indiana in Section 6 of Pleasant Township containing 223.005 acres. Within the Airport Expressway South EDA there will be an allocation area established for the purpose of collecting tax increment financing revenue from the increase in assessed value. The allocation area is coterminous with the EDA.

Said Economic Development Area has been identified as having existing barriers to development within the meaning of the Redevelopment of Blighted Areas Act of 1981 (Indiana Code 36-7-14 et. seq., as amended and supplemented). The Allen County Redevelopment Commission has made five findings in the Airport Expressway South EDA Plan. Fourth, the plan will be of public utility and benefit to the residents of Allen County, Indiana. Finally, that the plan conforms to the Allen County Comprehensive Plan, as amended.
