Gump Road Widening Update

The widening project on Gump Road has obviously restarted. Traffic will be maintained in the eastbound lanes for the next few months. Please maintain the posted 35mph speed limit—the road is very narrow at this point.

We are still awaiting word on what the final outcome of the new entrance will look like. Once we know for sure what that is, we will begin the process of replacing the tired, old sign and will work on new landscaping around the entrance.

Very soon will be time to get involved in the decisions on the entrance. Any resident willing to assist with this should contact a Board member. We will do our best to accommodate everyone's opinion on the entrance but the final decisions will be left up to the Board members.

2017 Dues

Thank you to all who have paid the annual dues to date. At this time, we still have about 18 residents left to pay. Dues are now past-due and late fees will be assessed. 2nd notices will be going out. Please, if you have not paid your dues yet, send in a check!!! Thanks!

Upcoming Events

- **Huntertown Garage sale—May 4,5,6 (Sign will be posted at entrance)**
- **Community Trash Day—Saturday May 13th**

Support you neighbors—see page #2 ads!!!

Association FaceBook Page

Hidden Oaks has a FaceBook page. To join the group, search "Hidden Oaks Association Page" from the FaceBook app. Ask to join and Justin will accept your invite. There are over 40 residents on this page already. Please ask to join today! The site has been very popular and is the best method at this time to remain up-to-date with happenings in and around the Association.

Support Your Association Neighbors

Thank you to all residents who help keep the association looking great! To those who help with the pond, the common areas, trees, etc. All help is greatly appreciated! By doing some of the little things ourselves, we help save money for everyone!

Spring Clean up—Commons

Several members of the association are planning a spring clean up of the center common area. There are several smaller trees down, many branches down, some old wood and scraps laying about. Once the weather dries up and we can get vehicles in there without tearing up the sod, we are going to attack it one weekend. This project is open to all who want to help. Since we are totally dependant on the weather—we can't really set a date until it is right upon us. Watch the FaceBook page as we get closer to May. The notice could come out with only a few days advance warning!
