

# **ALLEN COUNTY CODE TITLE 20 ENVIRONMENTAL MANAGEMENT**

## **ARTICLE 1**

### **DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

---

#### **20-1-1 Chapter 1: Establishment**

There is hereby established a department to be known as “The Allen County Department of Environment Management.”

#### **20-1-2 Chapter 2: Purposes**

The Department of Environmental Management shall be established for the purpose of planning, coordination, and enforcement of Federal, State and local air, water and solid waste regulations to ensure the protection of all Allen County residents.

#### **20-1-3 Chapter 3: Responsibility**

The Allen County Department of Environmental Management will be responsible for all environmental management, planning and enforcement activities assigned to it. This may include, but is not limited to, solid waste management, air pollution, water pollution, hazardous material monitoring and hazardous material landfill monitoring.

#### **20-1-4 Chapter 4: Responsibility of Other Departments**

This ordinance will not relieve any County department of moral responsibilities or authority given to it by local ordinance of State status as it relates to environmental management.

#### **20-1-5 Chapter 5: Position Requirement**

Director as established under this Ordinance will be charged with the responsibility of executing the duties defined in this ordinance but directly responsible to the Board of Commissioners of the County of Allen.

#### **20-1-6 Chapter 6: Effective Date**

The Ordinance shall be in full force and effect from and after its passage according to law.
